There was no unscheduled citizens business.

Finance: Discussion was on 2012 budget. Wayne had contacted Julie McQueen and Chris Chadbourne. They will serve on the budget committee for 2012.

Town Clerk: Town has problems with Hughesnet. Bill Jones contacted Doug, repairman. He will come to check and repair, if possible. Cost \$150.00. Selectmen said to do so.

BOLS signs. Alberta is to check on these.

Fire Dept: No report this week.

Roads: The road signs on Plummer School Rd need to be picked up if the road is finished. John said we need to fix the edges of the roads to bring the edge up to level of asphalt. We need to put a culvert back in on Smarts Hill Road. Winter road salt and sand supply is being hauled. The top of the salt/sand shed door still needs to be fixed. Black Mountain Rd was graded where they had added the course gravel. This made it muddy. So now they need to add more gravel.

Old Business: Did anyone find out what happened to the plywood and building material that was stored in the truck shed? Wayne will look into this.

New Business: Alberta is to check on NADA books from Branham for the office.

Mail: was opened.

Meeting was adjourned at 7:05 PM.

Respectfully submitted,

Alberta Ridlon, Town Clerk
